Once your application is received it will gain prompt attention and a decision will be forthcoming within 30 days or less. Upon approval, you will receive a pamphlet of suggestions about how to build your chapter, including many helpful notes and contacts in Wisconsin on how they built their organization to almost 50 members before they were even approved! Their templates will save you a lot of time. Many of the Wisconsin members will gladly help you with suggestions and ideas...as well as moral support and enthusiasm! You may contact their past-president, Sally Schultz, at <sschultz@madison.k12.wi.us>.
